I have read this form and agree to abide by the Rules and Articles of Association of the Club as published and amended from time to time. Copies are available on request (or you can view them on the club website:- www.series2club.co.uk). I understand that participation at any event, display or meeting is at my own risk and that it is a condition of membership that the Club, Members, Directors and Officials will not be held liable for any loss, accident or mishap, however caused. I undertake to insure my vehicle against third party risks as a minimum when participating in any club event. I understand that The Club does not act as an agent for event organisers and is run by amateurs for the benefit of members. My vehicle(s) will comply with any "regulations" in force when participating at or in any club event, display or meeting. I accept that the information on this form will be stored on a computer and that my details will be passed on to the club Area Organiser for the area in which I reside. Membership allows for two members living at the same address and to receive one copy on the club's magazine four times a year. The Club is promoted by the 'SERIES 2 CLUB LTD', a company limited by guarantee and not having a share capital. By joining the club I become a member of the company and undertake that if the company is wound up during my membership or within one year after I have ceased to be a member I will contribute to any shortfall up to a maximum sum not exceeding £1.00 (One Pound).

Vehicle Details for the Series 2 Club Vehicle Database

| | |
|--------------------|--|
| (Office use only) | |
| Membership Number: | |
| Database Ref No: | |
| Date processed: | |

Please assist the club by completing the form with the details of your current vehicle(s) which will be added to our database archive for future reference. The database is a useful tool in comparing model variations and factory specifications over the S2 production run. It can help owners in getting the detail correct on their vehicles. Please send a 6" x 4" photograph(s) or as an email attachment, which may also be displayed on the club's website. Upon receipt of this form you will receive a "Database Protected" window sticker which may act as a visual theft deterrent and may help in returning the vehicle to you if it were ever "lost" or stolen. Completion of this form is not a condition of membership.

PLEASE USE BLOCK CAPITALS

| | |
|--|---------------------------------------|
| Chassis Number: | Build or Registration Date: |
| <small>The chassis number can be found stamped on a metal plate fixed on the driver's side of the bulkhead. Include the full number and any suffix letter. The engine number can be found stamped on the front left hand side of the block. Both numbers should be recorded on your registration document (V5C).</small> | |
