Dear members

I would like to welcome new members to our area in this worrying time as long as we stay safe look out for family and friends and we should keep calm and don't panic Mr Mannering, I had changed our venue for the April meet from Betws Y Coed to Bickerton poacher, near Peckferton as we were going to join the North west and amalgamate the meet but with the fears of Corona Virus we have suspended all area meets until further notice.

Myself and Diane have taken a lot of thought and decided to step down as area representatives for North Wales and Shropshire, we still intend to be active members of the club and hang our gloves up either AGM or the end of the year so if anybody would like to step up to the mark and take this worth while position over I would be happy to help out and give moral support. I would like to thank everyone who has supported us over the last number of years we have met great people and made truly good friends.

COVID-19 (Coronavirus) Update
16 Mar 2020

Following today's announcement by the Government and guidance issued by the Chief Medical Officer all Club events are postponed/cancelled until further notice. It is important to follow the prevailing advice of the government and its medical experts. First and foremost, the Series 2 Club takes very seriously the concerns and welfare of its members, their families and those associated with the Landrovering community. Given that many of the venues will be closed anyway it will not be possible to hold our planned events.

Please keep informed through your Area Reps and announcements made on the Forum, Website and other social media.

We wish you all well and look forward to resuming our Landrovering as soon as it is safe to do so.

Stay fit and stay safe.

Kind Regards
Bernie & Diane
